

Serving the citizens and communities of
the Lake Gaston Area...

Great Business Opportunity!!

The Lake Gaston Chamber Ambassador Committee is seeking *new committee members* for 2010. It is a great business opportunity for all chamber members.

Just what is the Ambassador Committee, and what is involved?

All committee members become Ambassadors of the Chamber. They will represent the Chamber at various functions and events; as well as reach out to Chamber members to keep them informed of all the great opportunities the Chamber offers.

The Chamber will assign chamber members to each Ambassador. Those members become that Ambassador's responsibility; they will reach out to their assigned members to encourage them to attend community events sponsored by the Chamber. In addition Ambassadors will greet their members at the events they attend and introduce them to other members. Other responsibilities include supporting new members, attending Ribbon Cuttings, and other miscellaneous tasks that may surface during the year. *Please note that becoming an ambassador will require you devote between 2-4 hours each month to reach out to members and support the chamber at events.*

WHAT'S IN IT FOR YOU?

- Great Business Exposure
- Your Name/Business will be posted on the Chamber Website under a special Ambassador listing section
- The Lake Gaston Member Directory (goes to press in April) will also have a separate listing of the Chamber's Ambassador Committee
- Service to our community
- A chance to earn free membership and website listings for 2011 chamber membership

Take advantage of this great opportunity.
Volunteer to be an Ambassador Today!
